

The EFPIA Disclosure Code of Transfers of Value from Pharmaceutical Companies to Healthcare Professionals and Healthcare Organisations

The EFPIA Disclosure Code is a formal code of conduct that requires all EFPIA member companies and companies which are members of EFPIA member associations to disclose transfers of value to healthcare professionals (HCPs) and healthcare organisations (HCOs). Under the Code, EFPIA member companies will have to disclose the names of the healthcare professionals and organisations that have received payments or other transfers of value from them. They will also have to disclose – by HCP or HCO – the total amounts of value transferred, by type of transfer or value which could consist of, for instance, a grant to an HCO, a consultancy fee for speaking, payment for travel, or registration fees to attend a medical education congress. This information will be published on a public platform, which could be on the company's own website or a central platform combining data from different companies.

More information can be found on the EFPIA transparency website: <http://transparency.efpia.eu/>
